

Brown-Daub Charities Donates \$2,500 to The Arc of Lehigh & Northampton Counties to Support Individuals with Intellectual and Developmental Disabilities

Nazareth, PA - July 10, 2026

Brown-Daub Charities, the philanthropic arm of the Brown-Daub Family of Dealerships, is proud to announce a \$2,500 donation to The Arc of Lehigh & Northampton Counties. This contribution supports the organization's vital mission to champion inclusion, opportunity, and equity for people with intellectual and developmental disabilities (IDD) and their families across the Lehigh Valley.

The donation will help The Arc continue its impactful work in advocacy, education, and community supports that empower individuals with IDD to live, learn, work, and play as fully included members of our local communities.

“Supporting organizations like The Arc is at the heart of what we do at Brown-Daub,” Tom Daub from Brown-Daub Charities. “We’re committed to strengthening the Lehigh Valley by investing in programs that make a real difference in people’s lives. We’re honored to partner with The Arc in their important efforts.”

Brown-Daub Charities awards grants to local 501(c)(3) nonprofit organizations that demonstrate strong community impact. This donation continues the dealership group's long-standing tradition of giving back, with millions donated over the years to worthy causes throughout the region.
