

Brown-Daub Family of Dealerships Awards \$2,500 Grant to Monocacy Farm Project

(Easton, PA) March 24, 2026– The Brown-Daub family of dealerships is proud to announce the presentation of a \$2,500 community grant to Monocacy Farm Project as part of the company's ongoing commitment to supporting local organizations that make a meaningful impact across the Lehigh Valley.

The grant was presented during a special check ceremony attended by representatives from both organizations. The funds will support Monocacy Farm Project's mission of cultivating healthy communities by increasing access to fresh, nutritious food and providing educational programming focused on sustainable agriculture and food systems.

"Monocacy Farm Project is doing hands-on, meaningful work that directly impacts families right here in our community," said Thomas A. Daub, President of the Brown-Daub family of dealerships. "From expanding access to fresh food to educating the next generation about sustainability, their mission aligns perfectly with our belief in building a stronger, healthier Lehigh Valley. We're proud to play a small part in supporting that impact."

Brown-Daub donates a portion of the proceeds from every vehicle sold directly to a local charity each month. Any local non-profit organization is invited to apply for their grant online at www.browndaub.com/charities.

The Brown-Daub Family of Dealerships was founded in 1936 and has grown to include Chrysler, Jeep, Dodge, Ram, Chevrolet, Volvo, Hyundai, Fiat and Kia as well as thousands of pre-owned vehicles, and award winning service centers throughout the Lehigh Valley.
